हाम्रो प्रतिबद्धता

आज हामी स्थापनाको रजत जयन्ती मनाउँदै छौं। समय बितेकोले पनि भएन। यस अवधिमा निकै आरोह अवरोह पार गर्नुपर्‍यो। सङ्घर्ष गर्नुपर्‍यो। फलस्वरूप स्थापित भएका छौं। आज हामी सूचना प्रविधिको औपचारिक पठनपाठन सुरु गर्ने नेपालको पहिलो शिक्षण संस्थाका रूपमा परिचित भएका छौं। गुणस्तरीय शिक्षा प्रदान गर्ने शिक्षण संस्थाका रूपमा प्रसिद्धी आर्जन गरेका छौं।

सक्रियता, साहस, प्रभावशीलता र भविष्यवादी यी चार मान्यताका साथ यात्रामा निस्किएका थियौं। २५ वर्षको अवधिमा यी मान्यतालाई पछ्याइरहेका छौं। यसमा कुनै सम्झौता गरेका छैनौं। आगामी दिनमा गर्ने पनि छैनौं। यसको नतिजा स्वरूप आज हाम्रा १२ हजारभन्दा बढी उत्पादित दक्ष र योग्य जनशक्ति बजारमा छन्। स्वदेशी बजारमा छन्। विदेशी बजारमा छन्। कार्यशैलीको उच्च तहमा कार्यरत छन्। सम्मान र प्रतिष्ठा आर्जन गरिरहेका छन्। गुणस्तरीय जीवन यापन गरिरहेका छन्। ती १२ हजार एलुमनाईलाई देखा छाती गर्दै फूल छुट्ट्याउँछौं। असीमित खुसी प्राप्त हुन्छ। ती हाम्रा सम्पत्ति हुन्।

यात्रा सूचना प्रविधिको औपचारिक शिक्षाबाट थालेका थियौं। औपचारिक शिक्षामा प्रवेश गर्‍यो। त्यो बेला सूचना प्रविधिको औपचारिक पठन पाठनको थालनी गर्नु पर्‍यो। कसैले न कसैले सुरुवात गर्नु थियो, हामीले गर्‍यो। जुन बसान सफल भयो। सुरुका दिनमा यात्रा कालोपत्रे होइन, गोरामा गरेका थियौं। काम गर्दै जाँदा बाटोमा पनि यात्रा गर्‍यो। अहिले कालोपत्रेमा यात्रा गरिरहेका छौं। यो यात्रा सम्भव तुल्याइदने समस्त विद्यार्थी, अभिभावक, राज्यका सरोकारवाला निकायका पदाधिकारी, सुभेच्छुक सम्पूर्ण प्रति नतमस्तक छौं। आभारी छौं।

महिला सशक्तीकरणका लागि निःशुल्कमा तालिम पनि सञ्चालन गर्‍यो। महिलाका लागि निःशुल्कमा सूचना प्रविधिको औपचारिक शिक्षा पनि उपलब्ध गराइरहेको छ। राज्यका परियोजनालाई पनि हामीले सफलताका साथ सञ्चालन गर्न सफल भयौं।

२५ औं वर्षाको अवधिमा हामी गुणस्तरीय शिक्षाका लागि प्रगति गर्दछौं। प्रतिबद्धता व्यक्त गर्दछौं। नेपालमा सूचना प्रविधिको विश्वविद्यालय स्थापना गर्ने सोचका साथ अगाडि बढेका थियौं। त्यो अभियानमा ईटा धन सक्थौं, घर बनाउन पर्‍यो किटन छ तर प्रयास जारी रहनेछ। धन्यवाद।

Industrial visit to F1Soft, Lalitpur

4th July, 2023

“A winning effort begins with preparation” - Joe Gibbs

Industrial visit program broadens student's outlook towards learning and encourages them to immerse themselves more in the study process. On a recent industrial visit, students from the BSc IT, 1st semester had the opportunity to visit the F1Soft centre located in Lalitpur. The visit proved to be highly informative and engaging for the students, as they were able to interact with the IT team and gain valuable insights into the workings of the organization. During the visit, the students were introduced to GSM technology and the operating system of wireless technology. They were also given a theoretical overview of the operation of the telecommunication industry. The IT team at F1Soft was extremely helpful in answering all the queries of the students and provided a comprehensive understanding of the various aspects of the industry.

Founder's Day Celebration

13th July, 2023

“Everything great in the world happens only because someone does more than he has to” - Albert Einstein

LBEF celebrated the 68th birthday of its Founder Late Parmand Kejriwal on 13th July 2023 by organizing a colorful cultural program. The opening ceremony, was led by Chairman Er. Pankaj Jalan, Executive Director Er. Prakash Kejriwal, Director - Administration Mr. Uday Kant Jha, and Director - Academics Prof. Dr. Sandeep Kautish, included the lighting of the lamp and prayers in remembrance of the founder. During the session, Executive Director Er. Prakash Kumar Kejriwal, LBEF Group of Institutions spoke about the vision and the mission of Late Parmand Kejriwal who always believed in “Itni Shakti Hame Dena Data” which was his favorite song. The formal session was featured by Saraswati Vandana’ and ‘Ganesh Puja followed by a ‘Cake cutting ceremony. After the inaugural session, students started with various colorful cultural performances such

as group dance, solo singing, solo dancing, stand-up comedy, and many more.

Er. Pankaj Jalan delivered the vote of thanks by recalling the days of inception of LBEF when Information Technology was very new concept in Nepal and Mr. Parmand Kejriwal dreamed about “Education for All” which resulted into over 10,000 alumni of LBEF. At the end of the program, appreciation certificates were distributed to all participants. All cherished the legacy of the founder and strived to uphold his ideals. It was a day filled with love, laughter, and inspiration.

Training session on Artificial Intelligence/ Machine Learning

14th July, 2023

“I want to look back on my career and be proud of the work, and be proud that I tried everything.” - Jon Stewart

Lord Buddha Education Foundation (LBEF) organized a FREE two-day training session on Artificial Intelligence/Machine Learning. +2 student aspiring for IT Education had the amazing opportunity to learn about the

practical applications of AI and how it works in the real world. Our trainer, Mr. Diwakar Ghimire, the co-founder of Timetracko.com and HoneyGuide Apps, brought his 15 years of IT industry experience to deliver an outstanding session. It was a fantastic chance to explore the fascinating world of AI. The session was applauded by all the participating students.

MESSAGE FROM THE CHAIRMAN

**Er. Pankaj Jalan,
Chairman
LBEF Group of Institutions**

Dear Readers,
Greeting from the LBEF Campus!

Hope you are healthy and safe.

I am delighted to welcome our readers to 3rd issue of LBEF connect for the year 2023. The third trimester of the year has brought many new achievements for us. We organized “LBEF 25th Anniversary Celebration” at Grand Hotel, Tahachal on 11th September 2023. On this occasion, Vice President Ram Shahay Prasad Yadav praised the Foundation for its significant contribution to the field of information technology. During the same event, Minister of Education, Science, and Technology, Parmila Kumari, emphasized the significant contribution of the Lord Buddha Education Foundation towards women empowerment through education. Dutak’ Paramjit Singh, the Chief of the Asia Pacific University of Technology & Innovation in Malaysia, also conveyed his congratulations on the Foundation’s success. Various personalities from different fields were also present at the Silver Jubilee celebration of the Foundation.

We organized “Founders Day Celebration” in memory of our Founder Late Parmand Kejriwal on 13th July 2023. The opening ceremony, was led by Chairman Er. Pankaj Jalan, Executive Director Er. Prakash Kejriwal, Director - Administration Mr. Uday Kant Jha, and Director - Academics Prof. Dr. Sandeep Kautish, which included the lighting of the lamp and prayers in remembrance of the founder. The formal session was featured by Saraswati Vandana and Ganesh Puja followed by a Cake cutting ceremony. After the inaugural session, students started with various colorful cultural performances such as group dance, solo singing, solo dancing, stand-up comedy, and many more.

Guest lecture on the topic of “Stress Management” by Mr. Utsab Gautam, was conducted. Similarly, Industrial visit to F1Soft, Industrial visit to Access World Tech, Training session on Artificial Intelligence/Machine Learning, Training session on Digital Marketing, Training session on Cloud Computing, Webinar Session, Career Counselling Session, 2nd Research Symposium and Internship cum Placement Drive were organized to encourage and motivate students. We had an opportunity to sign Memorandum of Understanding (MoU) with Nepal Life Insurance Company (NLIC) and Pedal Group. Similarly, we got a privilege to collaborate with Federation of Computer Association Nepal (CAN Federation) and Himalaya Life Insurance.

I would like to congratulate our readers for their blessings and well wishes and we aspire to do more academic achievements in the future too.

God Bless You All!

MESSAGE FROM THE DESK OF EDITOR

Ms. Anwasha Sthapit
Editor
LBEF Connect

Dear Readers,

Welcome to the 3rd issue, vol. 6 of LBEF Connect 2023. The last three months were very productive from the perspective of both academic and extracurricular activities. We strive to deliver cutting edge and quality education to our students and we will continue doing so in the upcoming days too. “LBEF 25th Anniversary Celebration” was organized at Grand Hotel, Tahachal on 11th September 2023. “Founders Day Celebration” was organized in memory of our Founder Late Parmand Kejriwal on 13th July 2023. In the last 3 months we organized guest lecture on the topic of “Stress Management” by Mr. Utsab Gautam. Similarly, Industrial visit to F1Soft, Industrial visit to Access World Tech, Training session on Artificial Intelligence/ Machine Learning, Training session on Digital Marketing, Training session on Cloud Computing were organized to encourage and motivate students. Similarly, Webinar Session, Career Counselling Session, 2nd Research Symposium and Internship cum Placement Drive were organized to broaden student’s mindsets and help to deepen their knowledge.

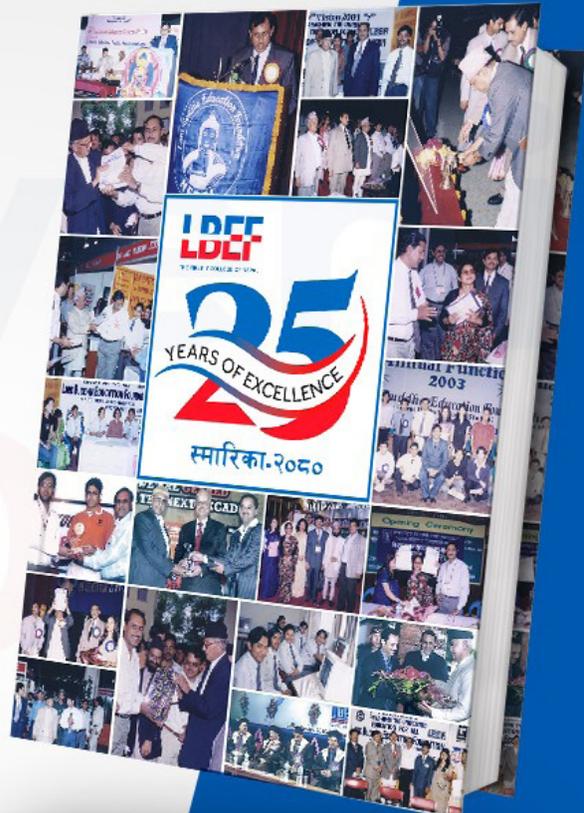

Lastly, I kindly thank parents, students, non-academic and academic staffs for their continuous support and hard work in helping to keep the mission and vision of the LBEF campus at the top level in the country.

Stay Safe and Healthy!

Training Session on Digital Marketing

18th July, 2023

“75 percent of long-term job success depends on people skills, while only 25 percent on technical knowledge.” ~ Peggy Klaus

LBEF Campus recently hosted a fantastic free Digital Marketing Training Session for +2 passed & exam appeared students facilitated by multiple trainers. Our first trainer, Mr. Manish Amgain, CEO of IdeaJar Digital and partner at Makura Creations, shared his expertise in digital marketing, UI/UX, and system development. Our second trainer, Mr. Adhip Poudyal, CEO of SaralMind Digital Pvt. Ltd., an expert in simplifying education, e-learning, and ed-tech, delivered an enlightening session on the ins and outs of SEO. Participants gained valuable insights into the importance and demand of digital marketing, as well as the exciting career opportunities in social media marketing, content development, Figma design, UI/UX, and SEO. It was a great learning experience for all the participants and well applauded by all.

Training Session on Cloud Computing

20th July, 2023

“Life begins with the end of our comfort zone”- Neale Donald Walsh

LBEF Campus organized an exceptional opportunity for all aspiring for +2 passed & exam appeared students seeking to enhance their skills in the world of cloud computing. A free training session on cloud computing was successfully conducted last Thursday and Friday.

The first day of training featured Mr. Nilmani Neupane, Program Director - B.Sc.IT Cloud Engineering at LBEF Campus. With his profound knowledge and expertise, he introduced the concept of cloud computing and shed light on its significance in today's era where companies are rapidly adopting cloud technology. He also emphasized the growing demand for cloud computing in Nepal, making it a promising field for future career prospects.

On the second day, we had the privilege of hosting Mr. Dipak Poudel, an accomplished Cloud Solution Architect with eight years of extensive experience in designing and developing cloud solutions for public clouds such as Azure and AWS. Mr. Poudel demonstrated live cloud hosting during the training, providing students with hands-on experience and practical insights

Guest Lecture on Stress Management

22nd July, 2023

“The future belongs to those who learn more skills and combine them in creative ways.”— Robert Greene

Mr. Utsab Gautam, a knowledgeable PhD scholar, delved deep into stress identification, causes, and its impact on physical, mental, and emotional health. He also shared valuable

prevention strategies. This session aims to help students find balance in their personal and academic lives, managing daily stressors like assignments and exams. The session was very insightful, informative and appraised by all the participants.

Industrial Visit to Access World Tech Pvt. Ltd.

24th July, 2023

There's a difference between knowing the path and walking the path- Morpheus

Academic learning at LBEF is not limited to classrooms. The students of B.Sc IT Semester III got first-hand experience and endeavour of IT world, through field visit at Access World Tech Pvt. Ltd., Lalitpur. The main objective of the event was to provide students with exposure of Career Development in field of Artificial Intelligence and Machine Learning. The visit proved to be highly informative and engaging for the students, as they were able to interact with the IT team and gain valuable insights into the workings of the organization. The event was attended by more than 45 students of LBEF and was highly appreciated and applauded.

Events

Memorandum of Understanding (MoU) with Nepal Life Insurance Company (NLIC)

25th July, 2023

Lord Buddha Education Foundation (LBEF) recently signed a Memorandum of Understanding (MoU) with Nepal Life Insurance Company (NLIC). The MoU was signed by Er. Pankaj Jalan, Chairman, of LBEF Group of Institutions, and Mr. Pravin Raman Parajuli, Chief Executive Officer of NLIC.

This collaboration aims to contribute to the development of skilled professionals in the IT and management sector of Nepal who will make a positive impact on the country's economy and society. The scholarship initiative will provide deserving individuals with the opportunity to access quality education and achieve their professional goals.

Under the terms of the agreement, LBEF will offer 100% scholarships to 6 students on their tuition fee for MBA and M.Sc. ITM degrees. Furthermore, life insurance literacy programs and internships will be provided to the students of LBEF by NLIC.

LBEF PROJECT EXPO

3rd August, 2023

The major objective of organizing this PROJECT EXPO was to provide the platform and unleash the potential of the students by showcasing their innovative projects developed in the Final Year. The outcome of the event was that students were able to demonstrate their learning experience and the process boosted their confidence level. Project Prototypes prepared by B.Sc.IT students focused on real world problems in the areas of Internet of Things (IoT), Website Design and Development, Artificial Intelligence (AI) and Machine Learning (ML). The projects were truly unique and impressive, ranging from IoT projects like the modern dustbin and modern irrigation system to AI/ML projects like music genre classification and plant disease/health check. The fair was evaluated by Executive Director, Er. Prakash Kumar Kejriwal, Chairman, Mr. Pankaj Jalan, Director Administration, Mr. Uday Kant Jha. After successful completion of Project Expo, Mr. Pankaj Jalan gave his vote of thanks to LBEF team for providing support to make this event happen and also congratulated all faculty members, staff members and students for their active participation.

Collaboration with Himalaya life Insurance

10th August, 2023

Lord Buddha Education Foundation and Himalayan Life Insurance Company have agreed to collaborate. These two companies have collaborated with the aim of providing technical vocational education and creating employment opportunities within the country. They have agreed to cooperate in addressing the growing demand for skilled employment and in making professional and technical education accessible.

In accordance with the agreement, the Chairman of the Foundation, Pankaj Jalan, and the Chief Executive Officer of the company, Manoj Kumar Lal Karnal, have signed the memorandum of understanding. As per the agreement, the Foundation will provide scholarships to six students in the MBA and M.Sc.(ITM) programs recommended by the insurance company. The CEO of the company, Manoj Kumar Lal Karnal, has mentioned that they are committed to providing free education and creating employment opportunities under their social responsibility.

According to the agreement, undergraduate and postgraduate students studying in the field of Information Technology and Management in the Foundation will have the opportunity to participate as trainees in Himalayan Life Insurance Company. The Chairman, Jalan, has also stated that this will not only provide students with education but also employment opportunities.

The Chairman, Jalan, has expressed his concern regarding the lack of skilled workers despite the increasing development and utilization of information technology and vocational education. He has mentioned that while the government has made commitments in the past, the Foundation has also taken the initiative to implement practical policies for ethical practices. The Chairman, Jalan, has indicated that they have initiated the same programs for the implementation of policies through the Foundation.

Events

Webinar Session

13th August, 2023

“Chance favours the prepared mind”- Bradley lilly

LBEF Campus conducted a webinar session for students awaiting Grade 12 results last week where Mr. Nilmani Neupane, Program Director - B.Sc.IT Cloud Engineering, introduced the world of cloud computing and its immense significance in today's dynamic era of business.

Mr. Neupane highlighted the surging demand for cloud computing in Nepal, unveiling promising career prospects. The webinar showcased LBEF Campus's commitment to futuristic choices, offering a glimpse into the realm of cloud technology, which has become indispensable for the survival of major corporations. For those awaiting Grade 12 results, this webinar illuminated a path towards lucrative opportunities. Whether your aspirations lie in multinational corporations with substantial salaries or entrepreneurial ventures like e-gaming and streaming services, a career in cloud engineering paves the way towards success.

Info Session on the NASA International Space App Challenge

5th June, 2023

“Life is not about how you live it, it's about how you craft it”- anonymous

Info Session on the NASA International Space App Challenge was hosted by NRCC-Nepal Research and Collaboration Centre for B.Sc.IT students at LBEF. It was an enlightening session where students dived into the realm of space innovation and technology. Our esteemed speakers illuminated the path to the NASA Space App Challenge, unveiling opportunities that await budding tech enthusiasts. It was a great learning experience for all the participants and well applauded by all.

Announcement of National ICT Scholarship for September 2023 Intake

26th August, 2023

LBEF Campus and Federation of Computer Association Nepal (CAN Federation) jointly opened the application for the scholarship 'National ICT Scholarship-2080' which the two organisations have been providing for the last four years. Under the National ICT Scholarship 2080, 7 female students from each province of Nepal will get full scholarship to study B.Sc. (Hons.) in Information Technology from the esteemed Asia Pacific University of Technology and Innovation (APU), Malaysia. A total of 2 crore worth of scholarships will be provided to 49 students, out of which at least 21 are female students, under this collaboration. This is a huge step towards the growth women empowerment through ICT. Altogether 110 students are currently studying under the scholarship programme that has been running for the past four years. The agreement was signed by Er. Pankaj Jalan, Chairman of LBEF Group of Institutions, and Mr. Ranjit Poddar, President of CAN Federation.

Career Counselling Session

8th September, 2023

“The Future depends on what you do today”- Mahatma Gandhi

Career counselling session was conducted at LBEF Campus, Maitidevi, focusing on the dynamic role of IT and technology in today's business world. +2 graduates gathered to explore the endless career opportunities within IT, gaining insights into its pivotal role in modern businesses, and discovering exciting prospects in cloud computing, software development, data analytics, and cyber security. The enthusiasm and engagement of the participants were exceptional, and the Campus extend heartfelt thanks to all who contributed to this remarkable session.

Events

25th Anniversary Celebration

11th September, 2023

The Lord Buddha Education Foundation celebrated its 25th Silver Jubilee at Grand Hotel, Tahachal on 11th September 2023. Twenty five years ago, the Foundation aimed at establishing a college focused on the field of information technology, with a long-term vision for technical education. LBEF Campus offers a range of undergraduate and postgraduate programs in affiliation with the Asia Pacific University of Technology and Innovation in Malaysia. Since its establishment, the Foundation has been committed to implementing educational policies for all.

At the event Honourable Ram Shahay Prasad Yadav, Vice President of Nepal, expressed his deep appreciation for the outstanding contributions of LBEF in advancing the realm of information technology on behalf of the private sector. He also shared his delight upon discovering that the Foundation has been actively promoting women's education by providing free schooling to one woman from each of the seven provinces for the past four years. Similarly, Honourable Pramila Kumari, Federal Minister of Education, Science, and Technology, emphasized the significant contribution of the Lord Buddha Education Foundation towards women empowerment through education. She lauded the organization for its impressive accomplishments, underscoring that more than 12,000 individuals have received education through this program. During this gathering, various prominent figures, including Professor Dr. Bhola Thapa, The Vice Chancellor of Kathmandu University, Rajendra Khetan, President of the Nepal Britain Chamber of Commerce, and Mahendra Prasad Singh, former Director of Education, discussed the substantial contributions made by the Foundation. Additionally, Datuk Parmjit Singh, serving as the CEO of Asia Pacific University in Malaysia, also provided insights into the Foundation's impact and contributions. During this auspicious occasion, the campus paid tribute to the late founder of LBEF Campus, Parmanand Kejriwal (1955-2021), a pioneer in IT education in Nepal. They reaffirm their commitment to following the path he showed and continue to serve humanity by assisting underprivileged sections of society. Also during the occasion, nine individuals associated with the Foundation for the past two decades were falcated by Rt. Honourable Ram Shahay Prasad Yadav, Vice President of Nepal. The event was a grand success and was applauded by all.

2nd Research Symposium

25th September, 2023

2nd Research Symposium was conducted on 25th of September 2023 at LBEF Campus Seminar Hall in which MBA and M.Sc. ITM 4th-semester students showcased their dissertation research before Mr Vivek Rana (Specialist in Information Systems Assurance, Governance and Risk Management). He delivered the keynote for the session and emphasized the need to practical relevance and real-world applications of academic research while summarizing his own PhD research outcomes. He advocated the need of industry-academia collaboration for research in order to provide sustainable solutions for the problems of current world. He evaluated the research works of students and gave them useful tips for academic research enrichment. Executive Director, Mr. Prakash Kejariwal, expressed his gratitude for the guest and participants.

The objective for Symposium was to bring together the new researcher/scholars, leading academic scientists, professional from industries to exchange and share their experiences in basic science and technology as well as emerging trends in global technological advancement. It enabled to build up an interdisciplinary forum for students, research scholars and academicians for fruitful discussion and navigate the future research for better mankind and society.

Internship cum Placement Drive

29th September, 2023

LBEF organized Mega Internship-cum-Placement Drive to help, train and provide work experience to 4th Semester students as internship and final placement for 6th Semester students. In total 26 companies visited LBEF campus for interviewing students and offered internship and job opportunities to students of Lord Campus. The participating companies were Info Developer, Agile Solution, F1Soft International, Alaya, Midas Technologies, Uptalent Pvt. Ltd, Talent Connect, HR Labs, Suvidha Sewa, Cloud Tech Nepal, Khalti Pvt. Ltd, Codearing, Techrida, Genesis, Pedal, CG Communication and Path Finder.

The event brings lots of opportunities to students where many of them grabbed and got the offer letters for their placement as well from various reputed organizations.

हामी प्रतिबद्धता

हामी स्थापनाको रजत जयन्ती मनाइरहेका छौं । समय बितेको पत्तै भएन । यस अवधिमा निकै आरोह अवरोह पार गर्नुपर्थ्यो । सङ्घर्ष गर्नुपर्थ्यो । फलस्वरूप स्थापित भएका छौं । आज हामी सूचना प्रविधिको औपचारिक पठनपाठन सुरु गर्ने नेपालको पहिलो शिक्षण संस्थाका रूपमा परिचित भएका छौं । गुणस्तरीय शिक्षा प्रदान गर्ने शिक्षण संस्थाका रूपमा प्रसिद्धी आर्जन गरेका छौं ।

सक्रियता, साहस, प्रभावशीलता र भविष्यवादी यी चार मान्यताका साथ यात्रामा निस्किएका थियौं । २५ वर्षको अवधिमा यी मान्यतालाई पछ्याइरहेका छौं । यसमा कुनै सम्झौता गरेका छैनौं । आगामी दिनमा गर्ने पनि छैनौं । यसको नतिजा स्वरूप आज हाम्रा १२ हजारभन्दा बढी उत्पादित दक्ष र योग्य जनशक्ति बजारमा छन् । स्वदेशी बजारमा छन् । विदेशी बजारमा छन् । कार्यथलोको उच्च तहमा कार्यरत छन् । सम्मान र प्रतिष्ठा आर्जन गरिरहेका छन् । गुणस्तरीय जीवन यापन गरिरहेका छन् । ती १२ हजार एलुम्नाईलाई देखा छाती गर्वले फूलछ । असीमित खुसी प्राप्त हुन्छ । ती हाम्रा सम्पत्ति हुन् ।

यात्रा सूचना प्रविधिको अनौपचारिक शिक्षाबाट थालेका थियौं । औपचारिक शिक्षामा प्रवेश गर्नु । त्यो बेला सूचना प्रविधिको औपचारिक पठन पाठनको थालनी गर्नु पक्कै सजिलो थिएन । कसैले न कसैले सुरुवात गर्नु थियो, हामीले गर्नु । जग बसाल्न सफल भयौं । सुरुका दिनमा यात्रा कालोपत्रे होइन, गोरेटोमा गरेका थियौं । काम गर्दै जाँदा ढुङ्गो बाटोमा पनि यात्रा गर्नु । अहिले कालोपत्रेमा यात्रा गरिरहेका छौं । यो यात्रा सम्भव तुल्याइदिने समस्त विद्यार्थी, अभिभावक, राज्यका सरोकारवाला निकायका पदाधिकारी, सुभेच्छुक सम्पूर्ण प्रति नतमस्तक छौं । आभारी छौं ।

महिला सशक्तीकरणका लागि निःशुल्कमा तालिम पनि सञ्चालन गर्नु । महिलाका लागि निःशुल्कमा सूचना प्रविधिको औपचारिक शिक्षा पनि उपलब्ध गराइरहेका छौं । राज्यका परियोजनालाई पनि हामीले सफलताका साथ सञ्चालन गर्न सफल भयौं ।

२५ औँवार्षिकोत्सवमा हामी गुणस्तरीय शिक्षाका लागि प्रण गर्दछौं । प्रतिबद्धता व्यक्त गर्दछौं । नेपालमा सूचना प्रविधिको विश्वविद्यालय स्थापना गर्ने सोचका साथ अगाडि बढेका थियौं । त्यो अभियानमा इँटा थप्न सक्यौं, घर बनाउन पक्कै कठिन छ तर प्रयास जारी रहनेछ । धन्यवाद ।
